Then it's on to Ellis Island. Step back in time on a self-guided tour of the museum. Come to know the personal stories of the immigration boom of 1892-1924 when 12 million people passed through this station on their journey to America. **The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Please be prepared for the rain or snow during the winter months, as walking to our dinner restaurants may require up to 0.75 miles each way.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Due to ticket availability, the day of the Radio City Music Hall performance is subject to change.

\*For the matinee Broadway performance, guests will be provided with a selection of shows to choose from. Selection of shows is subject to change based upon availability. Actual shows available for choices will be advised approximately 80 days prior to departure and must be finalized at 50 days prior to departure. Day of the Broadway show and performance selections are subject to change. Once guests choose show of preference, changes

are not permitted. Some Broadway performances may not be suitable for children; please inquire at time of reservation.

The days and order of sightseeing may change to best utilize your time on tour.

When reserving a triple room, please note that it will have two double beds. Due to fire safety regulations, a rollaway bed cannot be brought into the room.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

### Experience It! Radio City Music Hall

In 1929, John D. Rockefeller, Jr. set out with his partners to transform a section of Midtown Manhattan, formerly known as "the speakeasy belt," into their dream complex. Their first completed project in Rockefeller Center was Radio City Music Hall, created to provide top entertainment that was affordable to the public. For 80 years, the theater has hosted the holiday tradition of the Radio City Christmas Spectacular, starring the world-famous Rockettes. Referred to as the best holiday production in America, the Christmas Spectacular draws an audience of one million people every year. This show blends the flawless choreography of the prestigious Rockettes with an abundance of holiday pizzazz. Their precise moves, the upbeat holiday music, and the elaborate costumes and stage décor are simply captivating.
